• What do you need to control on your camera to make images like this?
• Explain how it works?
• What other equipment might you need?
• What images appeal to you the most?
• What are the other things to consider when shooting this type of photography?
• What will you try? Film or digital? Type of action or motion? Subject matter?
Creative Control with Shutter Speed

- Choose digital or film.
- Shoot 36 images.
- Control motion using exposure duration

Take images for Wednesday 12/11.
Create Prints for Thursday 12/19.
